

Our Vision and Values

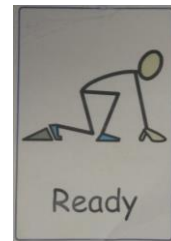

At Roman Way Academy, we believe that every child deserves the best possible start in life. We have created a safe, stimulating and inclusive learning environment, with a broad, rich and progressive curriculum, to support our children to meet their full potential. Our code of conduct, **Ready, Respectful and Safe**, underpins all aspects of our school life.

- **Ready**

To enable children to demonstrate readiness in all aspects of school life by being on time, equipped and eager to learn. Children will be encouraged to develop a positive mindset and attitudes in all learning opportunities which enable them to tackle challenges that they encounter.

To enable staff to become lifelong learners.

To enable the parents and wider community to be ready to engage in school life.

- **Respectful**

To enable and empower all pupils, staff and the wider community to show respect and kindness towards each other through all our actions and interactions. To uphold British Values and enable all to recognise the importance of different cultures and beliefs which help foster positive relationships, behaviour and attitudes to learning.

- **Safe**

To encourage everyone to feel safe and be safe in all that they do in and out of school including all interactions with each other. To raise awareness amongst the whole school community on how to keep safe online.
