

KS1 Home Learning Project: **The World and the Past**

Due: Friday 8th December 2023

We would like you to complete a project of your choice on our current topic. Choose one of the suggested activities below:

- Make a sock puppet.
- Create a poster comparing the toys you play with now and the toys your parents or grandparents played with when they were younger. You could do an interview with your adults.
- Draw and write a description of your favourite toy or labelling the parts of your favourite toy
- Research what life was like for children in the 1950s.
- Do an observational drawing of your favourite toy and as a challenge you could mix the primary colours and paint it.
- Choose a country in the United Kingdom, research and write some facts about your chosen country e.g., the flag, food, famous landmarks.

We look forward to seeing all of your fabulous learning!
