

Dear Parents and Carers

We have had a very healthy day today. In PHSE, we have been thinking about how to keep healthy and which foods are healthy for us. All the children came up to the dining room in groups and made a delicious fruit kebab. We had pineapple, melon, kiwis, apples and grapes. The children cut the fruit themselves and then carefully threaded them onto skewers before enjoying their healthy, juicy snack.

In the afternoon, we have continued our gymnastics lessons, learning how to do straight and star jumps from the bench and how to land safely.

In English, we finished looking at the traditional tale Little Red Riding Hood and have started to read 'Little Red and the Hungry Lion' which is a modern twist on the tale. We compared the settings and the characters between the two books.

In maths, we have been using our Numberblock friends to explore one more or one less. We noticed that when we put our Numberblocks in order it looks like a staircase, each number being one more than the last.

It has been a busy week but we hope that next week brings better weather so that we can be outside more.

Just a last reminder, please can all children have their PE kits in on Fridays.

Many thanks,  
Mrs Oram and Miss Steven
