LUNCH MENU

WEEK THREE

MOBILE PHONES

Children should not have mobile phones in school. Any mobile phones brought in need to be left at the office with prior arrangements with the Headteacher. A valid reason must be provided for the need for the mobile phone to be in school.

EARRINGS IN SCHOOL

Children who already have their ears pierced can wear small, plain studs to school. They must be able to remove them by themselves for PE lessons, and should bring a small container to store them in. If they are unable to remove them by themselves, they should be removed before coming to school on PE days.

We are no longer covering them with micro pore tape. PE is a statutory part of the curriculum and therefore children cannot be allowed to miss these lessons.

HEALTH AND WELLBEING

We always encourage our children to talk to their trusted adults at home and in school if they have any worries or concerns. This week we are attaching a helpful booklet with guidance about how to talk with your child about their mental health.
