ONLINE SAFETY TIPS FOR PARENTS AND CARERS (SMART)

S - Safety

Make sure you are able to keep an eye on your child when they are using a device. This means that you can monitor what they are using or playing. Make sure your child knows that they must keep their personal information safe and private (e.g. real photo, address, name of school, DOB).

READING AT HOME FOR PARENTS AND CARERS

Thanks to all parents and carers who were able to attend our Phonics Workshop on Thursday this week. Thanks, also, to Mrs Gunness and Mrs Oram for running it.

During the workshop a query was raised about what information parents and carers should record in their child's reading record after listening to them read at home. Mrs Gunness suggests: date; page number read to; name of person who listened to them read.
