

EYFS NEWS

As we approach the end of this half term, I would like to say thank you to our school community for everything you have done and are doing to support the children's learning at home or in school, and for supporting each other during this time.

Teachers will not be setting homework over half term and new remote plans will not be uploaded until the end of half term.

We hope half term provides you with time to recharge your batteries and enjoy family time together. Hopefully, the weather will allow opportunities to get out and enjoy the outdoors.

Please remember to report positive Covid-19 cases to school via the admin email address so that we can support track and trace.

Take care and stay safe.

Mrs Baxter x

Reception and Nursery have been celebrating Chinese New Year this week.

Both in school and at home the children have been busy making Chinese lanterns, rattle drums and exploring rice and noodles with and without chopsticks.

Alethia has also been practicing how to write her name in Chinese calligraphy.

MESSAGE FROM HCC

Thank you for playing your part and helping to keep our school safe by following current Government guidelines during the national lockdown.

It's so important that we don't become complacent during half-term so we can all enjoy the break and hopefully come back to either remote, or face to face learning (for children considered vulnerable or children of critical workers) safely.

Hertfordshire County Council have asked us to share the attached leaflet with you as a reminder of what we all can and cannot do during the lockdown restrictions. Please do take the time to read it and remind your children that for now, we all have to play our part to protect ourselves, our families and our friends.

i know that

we'll find sunshine

after this whirlwind

of dark cloud and rain

because if winter

has the courage

to turn into spring,

who says we can't

bloom just the same?
