

FIRE DRILL

This week we had a fire drill. All children and staff were out of the buildings in 1 minute and 15 seconds. The children were calm and sensible and followed instructions. Well done!

SCIENCE WEEK

During Science Week Mrs Clare challenged the children to a poster competition. Key Stage 1 made posters about the topic 'Materials', which they had been studying during the lockdown. Key Stage 2 researched famous scientists and what they do. Mrs Clare then judged all of their posters and a winner from each class was chosen and given a scientific prize. Mrs Clare was really impressed with all of the posters and the hard work that the children had done.

The winners were:

Squirrels	-	Jenna
Hedgehogs	-	Ellis
Foxes	-	Elijah
Puffins	-	Teigan
Badgers	-	Jojo

REMINDERS

- ◆ The clocks go forward one hour this weekend.
- ◆ Children return on Tuesday 13th April.
- ◆ The cost of school dinners for Years 3 and 4 will increase to £2.60 per meal from Tuesday 13th April.
- ◆ May Bank Holiday on Monday 3rd May.

PROPOSED DATES

- ◆ Parent Consultations: will take place the week beginning Monday 10th May: Further details to follow.
- ◆ Sports Day: we will monitor and follow government advice before making any plans.

We will send updates/changes to our routines and procedures as necessary.

COVID-19 POSITIVE CASES

Please continue to report positive cases so that we can support Test & Trace and alert necessary families.

Reports to:
admin@romanway.
herts.sch.uk

Please ensure you put URGENT in the subject bar.

Thank you.

There is promise of even warmer weather next week, which might just coincide with the opportunity to meet up with people outside, in a park or garden.

Take care and have a lovely break.

Best wishes
Mrs Baxter x
