Dear Parents and Carers

**SCHOOLS REOPENING:**

There is much speculation and reporting in the press regarding schools reopening. As soon as we get information from the DfE we will share this with you. We will continue to update learning resources on our website every fortnight. In this newsletter is some information that might be useful to you. Thank you for your continued support and understanding during this time.

**SEND:**

We have a variety of resources to support children with special educational needs on our website in the home learning folder. If parents/carers need further support, please email admin and your messages will be forwarded to Mrs Shah.

**ADDITIONAL HOME LEARNING IDEAS:**

There are some sensible and lovely home-schooling parenting tips:

**ONLINE SAFETY:**

The government have put together a site using some existing materials that we would use normally in school, as well as some newer, Covid-19 situation notes around online safety. They can be found at the following address:

**CELEBRATING CHILDREN'S WORK:**

If you have any pictures of work or activities that you would be happy to share on our website and with teachers, then please email them to admin: [admin@romanway.herts.sch.uk](mailto:admin@romanway.herts.sch.uk) Please remember to name the teacher who it needs to be directed to. Teachers will respond through Marvellous Me!

Please do get in touch if you need anything and give my love to your children.

Best wishes, stay safe and take care, Mrs Baxter.
