Dear Parents/carers,

We have now received the report from our latest Ofsted visit on 17<sup>th</sup> July 2018 (Section 8 first Monitoring Inspection) and are pleased to share this with you.

We note there are areas where work is still required, these are already being addressed and we are striving to improve these.

In particular, attendance will continue to have a strong focus for the school 'The proportion of pupils who are persistently absent remains too high'. We are well aware of the impact this has on the enabling every child to reach their full potential. However, we are encouraged by the progress made.

It is pleasing to see that Safeguarding continues to be deemed effective and that behaviour is highlighted as a strength in school. 'Learning typically takes place in a harmonious and encouraging atmosphere'.

With thanks to Mrs Baxter the SLT, staff and Governors for their hard work as well as the pupils and parents who support the school moving forward.

Yours faithfully

*J Inwood*
