Dear Parents/carers

Following on from the unannounced spot inspection by HMI on 25th April we have received the final report, which we are now able to share with you.

The visit was conducted with the sole focus on Safeguarding, which is now deemed as **effective**. However, because it was not a full inspection the school remains at the grade that was given from the inspection in November 2017. This report highlights the rapid progress that has been made and the next steps to continue that work.

I would like to extend enormous thanks to Mrs Baxter, SLT, staff, governors, and children for all their hard work and to our parents for all their support to enable us to move forward with the school action plan.

Yours sincerely

Julie Inwood

Chair of Governors
